

Sample timetable for leisure activities in Nice (Adults)

For all trips and leisure activities clients can speak directly with our leisure team at the school. Students are of course free to decide which activities they would like to participate in.

More details on the current program including information about prices and meeting points are posted weekly.

Please note that the activities from our sample week are merely suggestions. The activities and excursions may incur additional costs that must be paid onsite. Additional costs can range from 10 - 40 EUR.
