14:15-15:00		Get Ahead option			
		Break			

## The learning

Our teaching programme is designed to inspire, motivate and support students

We use active teaching methods that engage children because we know that children who are challenged and who are enjoying their lessons work harder and learn more.

Classes are divided according to age, level and first language.

**15 hours**  
Core English

**9 hours**  
Get Ahead options

**20+ hours**  
Extra activities

every week
