

\_\_\_\_\_

The image features a large, stylized letter 'L' formed by overlapping yellow and orange geometric shapes. The background is white with faint horizontal lines. On the left side, there is a vertical column of colored squares: a small dark blue square at the top, followed by several light beige squares, and then a series of orange and yellow squares forming the base of the 'L'. An inset box with a white border highlights one of the rows. This box has a dark blue header labeled 'Saturday' in white text. Below the header, the row contains four dates: '04/07', '11/07', '18/07', and '25/07'. These dates are grouped under two bold black labels: 'Check Out Day' above the first two dates and 'Excursion Day (2+ weeks)' above the last three dates.
