

Who is this programme for?

Experience what it's like to learn in the British education system to help you prepare for your university pathway programme - A level, International Baccalaureate or University Foundation Programme.

What will you achieve?

You will:

- better understand the UK education system
- experience a wide range of subjects to help you make the right subject choice
- improve your critical thinking skills
- be introduced to the UK university application process
- visit some of the most prestigious UK universities
- have more knowledge of routes to university in the UK.

TIMETABLE HIGHLIGHTS

You will get an introduction to the UK education system through a variety of practical lessons in a range of subjects. You will also take part in after school and weekend excursions to get a taster of English culture.
