## Afternoon Activities

Some past afternoon activities enjoyed by our students include the following:

**Punting:** travel the waterways of the River Cherwell in a flat-bottomed boat, using a five-metre-long pole to propel your vessel! This mode of transport is unique to Oxford and Cambridge. Our team of Counsellors will be on hand to advise you (or to do it for you!).

**Summer sports:** have you ever played the traditional English game of croquet? There will be the chance to do so on the lawns of your College! Real tennis (a variation of tennis played indoors, with a heavier ball) has also been enjoyed by our previous students.

**College and museum tours:** if you are thinking of applying to study at the University of Oxford, an ORA course is the perfect opportunity to visit some of the institution's most famous Colleges (including New College, Magdalen College and Christ Church). You will also have the chance to visit Oxford's Ashmolean Museum – famous for being the world's first university museum.

**Dance and music workshops:** have you ever wanted to try Indian dance? How about Salsa dancing? Or Drumming? Experts in these art forms will be dropping in to our campuses to run workshops, allowing our students to unleash their creative sides.

## Evening Entertainment

The events and entertainment on offer don't stop when the sun starts to go down at our campuses! The following will be available to every student on our UK University Preparation Programme:

**Film nights on campus:** catch a movie with your new friends, without having to leave your College!

**Karaoke in Oxford:** head to a venue in Oxford and sing along to the latest hits!

**Themed parties at local hotels and country houses:** head to a local venue and enjoy dinner and dancing with your friends from around the world; past venues include Ardington House in Oxfordshire and The Randolph Hotel in the city of Oxford. Every party has a theme: Hollywood, Venetian Masquerade and The Olympics are examples of past themes!

**Graduation:** a formal graduation ceremony will be held on the last night of your course. This is followed by your Graduation dinner and party – a glamorous conclusion to your stay in Oxford!
