

Immersive Fashion Experiences:

- Conduct your very own fashion show and receive invaluable feedback from a panel of judges on the front row
- Create your own garment, exploring techniques in pattern cutting, draping and sewing
- Build your own sustainable fashion brand with expert guidance through every stage of the design process
- Style and shoot your very own look book at a professional London studio
- Experience the world of retail and take on interactive challenges as part of the buying & merchandising team
- Uncover the world of costume design, working closely with actors and designers to conceptualize ideas for an exclusive theatre performance
- Try your hand at a range of textile techniques, uncovering the many pathways available to you as a designer
- Combine your creations into a fashion-school-ready portfolio, and receive 1 on 1 coaching around your future career prospects
- Attend a private networking event with those in the most desirable jobs in fashion: designers, buyers, merchandisers, fashion marketing experts and more

Meet Senior Fashion Designers:

- Be coached through the immersive experiences with professionals from world-renowned firms specialising in designing, buying and merchandising, marketing, prototyping and more

- Private networking sessions with these professionals, who can become vital connections for your future career
-

Career Coaching:

- Receive training on how to land the most desirable jobs in fashion design
 - Advice on subject choices, university selection, work experience, extra-curricular activities and more
-

Competitive Advantage In Your University Applications:

- Attending the Experience demonstrates that you have gained skills which are highly-valued by top universities
 - Complete the online assessment after the programme and receive a personalised certificate to include in your university applications
 - Personalised industry reference letter from fashion designers confirming what you have achieved on the programme
-
