

Immersive Veterinary Experiences:

- Practise as a small animal vet: conduct examinations and come up with diagnoses
 - Visit an animal hospital and understand the fundamentals of primary animal care
 - Take on the role of an equine vet and observe therapy techniques on horses
 - Perform surgical procedures on dummy animals and improve your dexterity
 - Visit veterinary sites including farms and zoos and learn about the different fields within veterinary medicine
 - Attend a private networking event with vets from multiple disciplines including farm, equine, wildlife and more
-

Meet Senior Vets:

- Be coached through the immersive experiences with vets from small animal practices, surgery, emergency care, equine, wildlife and farms.
 - Private networking sessions with these vets who can become vital connections for your future careers.
-

Veterinary School Admission Coaching:

- Comprehensive coaching on how to get into a top veterinary school
 - Master the admissions process: personal statements, interviews and more
-

Competitive Advantage In Your Veterinary Applications:

- Attending the Summer Experience demonstrates that you have gained skills which are highly-valued by top universities.
 - Complete the assessment after the programme and receive a personalised certificate to include in your university applications.
 - Personalised industry reference letter from vets confirming what you have achieved on the programme.
-
