

Immersive Engineering Experiences:

- 'Boeing Experience': exclusive access to a range of commercial aircraft alongside aerospace engineers and pilots at an airfield
- Discover the magic of 'Supercar' production and design with engineers from leading supercar brands
- Take apart a petrol engine under the supervision of a top mechanical engineer
- Design an aerofoil and test it live in a wind tunnel with a Rolls Royce engineer
- Use structural engineering principals to build your own bridge and test it to make sure it can carry heavy loads
- Create your own sustainable engineering solutions to protect the Thames Estuary from the imminent flood risk
- Pitch your own cutting-edge engineering start-up to a panel of experts in a simulated Dragons' Den

Meet Senior Engineers:

- Be coached through the immersive experiences with engineers from world-renowned firms specialising in mechanical, civil, materials, aerospace engineering and more
- Private networking sessions with these professionals, who can become vital connections for your future career

Career Coaching:

- Receive training on how to land the most desirable jobs in engineering
- Advice on subject choices, university selection, work experience, extra-curricular activities and more

- World-class professional development training: dedicated coaching on all the soft skills you need to become a top engineer: logical thinking, creativity, teamwork, communication, time management and more

Competitive Advantage In Your University Applications:

- Attending the experience demonstrates that you have gained skills which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

World-Class Universities And World-Class People:

- Experience one of the best universities on the planet: University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the Summer Experience, creating an invaluable lifetime network.

Design Your Own Summer Experience:

- Select your preferred length of experience. You can choose to attend for:

-

1. days 1-15 (the full experience); or
2. days 1-10 only; or
3. days 1-5 only

- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout
