

The Young Investment Banker Autumn Internship Live Online

Ages 15-18 | 17th - 21st October 2020 or 24th - 28th October 2020

The Young Investment Banker Autumn Internship gives students aged 15-18 a 360-degree work experience in Investment Banking, from the comfort of their own home. Over the course of 5 days, you will be working with top Investment Bankers 'Live Online' via our state-of-the-art interactive platform.

You will experience the real-life work of an Investment Banker, including designing investment strategies with Private Equity Investment Managers and competing against traders in a global financial market simulation. You will also have the opportunity to network with our Investment Bankers and ask them all your burning questions, just as you would in-person.

Join us for a truly unique experience that will serve as an outstanding differentiator on your university and job applications and set you up for a future as a successful investment banker.

Internship Highlights:

Immersive Investment Banking Experiences:

- Design an investment strategy and participate in a strategic negotiation at a multibillion-dollar Private Equity firm
- Price and trade stocks in a trading simulation used by top-10 global investment banks to recruit its most valuable people
- Discover a live Mergers & Acquisitions deal: value FTSE 100 companies and go through dramatic rounds of negotiation
- Build your own Hedge Fund portfolio and have it reviewed by senior London Hedge Fund managers

Senior Investment Bankers From Iconic Global Brands:

- Be coached through the immersive experiences with investment bankers from world-renowned firms such as Morgan Stanley, Goldman Sachs, Deutsche Bank, JP Morgan, UBS, Credit Suisse and large private equity and hedge funds
- Private virtual networking/panel Q&A sessions with these professionals, who can become vital connections for your future careers

Personalised Career Coaching:

- Experience real-life recruitment methods used by top investment banks
- Training on how you can get one of the most desirable jobs in investment banking, starting now: A-level/IB, university and degree choices; extra-curricular activities; work experience; application and interview techniques
- Personalised development plan: create a personalised development plan based on the advice you are given, which identifies your strengths and weaknesses and shows you which areas you need to develop further

Competitive Advantage In Your University Applications:

- Attending the internship demonstrates that you've gained key skills such as problem-solving, innovation and commercial awareness, which are highly-valued by top universities
 - Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications
-
