

Young Architect Highlights

Immersive Architectural Experiences:

- Visit ground-breaking architecture and urban design firms such as PRP and Foster and Partners and design your own sustainable city
- Conduct site visits and complete a series of design projects in a studio setting using architectural sketching tools and design techniques, under the guidance of senior architects
- Pitch your final designs to a panel of architects at an iconic central London skyscraper and receive feedback
- Use the latest cutting-edge architectural software, including 3-D designs, smart technology and augmented reality
- Exercise your curatorial skills by hosting an exhibition of your design projects produced across the Summer Experience and have leading architects attend a private view of your exhibition
- Private networking session with experienced architects from a range of specialisms

Senior Architects From A Variety Of Specialities:

- Be coached through the immersive experiences with architects from world-renowned firms specialising in residential, commercial, urban design and more
- Private networking sessions with these professionals, who can become vital connections for your future career

Personalised Career Coaching:

- Bespoke career coaching: receive training on how to land the most desirable jobs in architecture and a dynamic, personalised development plan to reach the height of your career ambitions
- Securing a place at a top-tier university: work alongside admissions officers from the UK's leading universities to map out your university and degree choices, extra-curricular activities, and work experience; and receive expert coaching on the art of personal statement writing and the art of designing eye-catching portfolios
- Excelling at university: take part in a private tour of the University of Cambridge; attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics
- Master the recruitment process: crack the code to the perfect CV with industry recruitment experts and hear from senior hiring managers on what they are looking for in candidate applications, interviews and assessment centres

Competitive Advantage In Your University Applications:

- Attending the Summer Experience demonstrates that you've gained key skills such as attention-to-detail, public speaking and commercial awareness, which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

World-Class Universities And World-Class People:

- Experience two of the best universities on the planet: University of Cambridge and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the internship, creating an invaluable lifetime network.

Design Your Own Summer Experience:

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
