

Young Doctor Highlights

Immersive Medical Experiences:

- Conduct hospital visits, work as part of a team of doctors to treat real patients, and shadow doctors on a simulated ward round
- Work under pressure to assess a robot patient on a trauma ward, perform immediate treatment and receive live feedback from emergency medicine doctors
- Make diagnoses by reviewing patients' data, including: x-rays, blood tests, consultation notes and medical history
- Use the latest medical virtual-reality technology to become submerged in a hospital's emergency department
- Attend a private networking event with doctors and medical students at the Royal Society of Medicine
- Discover rapid developments in medicine in collaboration with technological innovations

Meet Senior Doctors:

- Be coached through immersive experiences with doctors from oncology, surgery, emergency medicine, cardiology and more
- Private networking sessions with these doctors who can become vital connections for your future careers

Personalised Medical School Admission Coaching:

- Bespoke coaching on how to get into a top medical school: have your credentials reviewed by a medical admissions expert and receive a dynamic, personalised development plan to help you gain admission into your first-choice university
- Acing the admissions process: personal statements, interviews, UCAT and BMAT assessments and more
- Excelling at university: take part in a private tour of The University of Oxford; attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics

Competitive Advantage In Your University Applications:

- Attending the Summer Experience demonstrates that you've gained key skills in teamwork, communication and problem-solving which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

World-Class Universities And World-Class People:

- Experience two of the best universities on the planet: Oxford and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the Summer Experience, creating an invaluable lifetime network.

Design Your Own Summer Experience:

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
