

## Young Filmmaker Highlights

### Immersive Filmmaking Experiences:

- Planning, directing, filming and editing your first original film scene using high-level software and professional actors
- Creating your own stories and turning them into box-office screenplays, using professional script-writing software
- Using professional industry-standard equipment on the sets of some of the biggest blockbuster films shot in the UK
- Delving into the 21<sup>st</sup> century's most innovative filmmaking techniques through an exploration of animation, visual-effects, sound composition, costume design and more
- Visits to iconic film sets, including backdrops used in James Bond movies, to explore the use of backdrop for creative cinematic effect
- Have your work featured in an exclusive film festival and have professional directors critique your work
- Private networking session with top London filmmakers at The British Film Institute (BFI)

### Top Filmmakers from a Variety of Specialties:

- Be coached through the immersive experiences with filmmakers involved in world-renowned films specialising in directing, producing, sound engineering, visual effects, editing and more
- Private networking sessions with these professionals, who can become vital connections for your future career

### Personalised Career Coaching:

- Bespoke career coaching: receive training on how to land the most desirable jobs in filmmaking and a dynamic, personalised development plan to reach the height of your career ambitions
- Securing a place at a top film school: work alongside Admissions Officers from the UK's leading universities to map out your further education and degree choices, extra-curricular activities, and work experience; and receive expert coaching on the art of designing eye-catching portfolios
- Excelling at film school: take part in a private tour of the National Film and Television School, attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics
- Master the recruitment process: crack the code to the perfect portfolio with industry recruitment experts and hear from senior hiring managers on what they are looking for in candidate applications, interviews and assessment centres

### Competitive Advantage In Your University Applications:

- Attending the Experience demonstrates that you've gained key skills such as teamwork, public speaking and problem solving, which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

### World-Class Universities And World-Class People:

- Experience two of the best universities on the planet: Oxford and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the internship, creating an invaluable lifetime network.

### Design Your Own Summer Experience:

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
