

## **YOUNG Forensics Scientist Highlights**

### **Immersive Forensic Experiences:**

- Walk through a simulated crime scene and photograph, sketch, and capture key pieces of evidence
- Work with specialists to perform fingerprint and blood spatter analysis to catch your criminal
- Write and deliver an expert witness testimony live in court and receive feedback from public speaking coaches, psychologists, and law professionals
- Examine and identify unknown drugs in a state-of-the-art laboratory
- Work alongside cybersecurity experts to unlock secrets from the dark web
- Attend a private networking event with first responders, toxicologists, entomologists, and forensic scientists who work daily to solve high-profile crimes

### **Senior Forensics from a Variety of Industries:**

- Be coached through the immersive experiences with forensic scientists specialising in blood spatter and fingerprint analysis, first responders, toxicology, and entomology.
- Private networking sessions with these professionals, who can become vital connections for your future career

### **Personalised Career Coaching:**

- Bespoke career coaching: receive training on how to land the most desirable jobs in forensic science and a dynamic, personalised development plan to reach the height of your career ambitions
- Securing a place at a top-tier university: work alongside admissions officers from the UK's leading educational institutions to map out your university and degree choices, extra-curricular activities, and work experience; and receive expert coaching on the art of personal statement writing
- Excelling at university: take part in a private tour of King's College London; attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics
- Master the recruitment process: crack the code to the perfect CV with industry recruitment experts and hear from senior hiring managers on what they are looking for in candidate applications, interviews and assessment centres

### **Competitive Advantage In Your University Applications:**

- Attending the Experience demonstrates that you've gained key skills such as teamwork, public speaking and problem solving, which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

### **World-Class Universities And World-Class People:**

- Experience two of the best universities on the planet: Oxford and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the internship, creating an invaluable lifetime network.

### **Design Your Own Summer Experience:**

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
