

## Young Psychologist Highlights

### Immersive Experiences in Psychology:

- Carry out live patient consultations in a simulated clinical psychology clinic under the guidance of experienced clinical psychologists
- Become the forensic psychologist in a live criminal trial: carry out a psychometric assessment of the offender, act as an expert witness in court, and consult with the parole board
- Explore life on a mental health ward at a leading London teaching hospital used by trainee medical professionals and work collaboratively with a team of psychologists, nurses and doctors to diagnose and treat your patients
- Practise innovative psychological techniques used to give elite athletes a 'mental edge' on match day at a Premier League stadium
- Discover the latest cutting-edge psychological techniques at a pioneering PsychTech firm, including the use of virtual reality to treat conditions such as phobias, PTSD or anxiety
- Attend a private reception with top psychologists at The British Psychological Society

### Senior Psychologists from a Variety of Specialities:

- Be coached through the immersive experiences with psychologists from an array of specialities: clinical, forensic, sports, behavioural, business, educational and more
- Private networking sessions with these professionals, who can become vital connections for your future career

### Personalised Career Coaching:

- Bespoke career coaching: receive training on how to land the most desirable jobs in psychology and a dynamic, personalised development plan to reach the height of your career ambitions
- Securing a place at a top-tier university: work alongside admissions officers from the UK's leading universities to map out your university and degree choices, extra-curricular activities, and work experience; and receive expert coaching on the art of personal statement writing
- Excelling at university: take part in a private tour of the University of Oxford; attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics
- Master the recruitment process: crack the code to the perfect CV with industry recruitment experts and hear from senior hiring managers on what they are looking for in candidate applications, interviews and assessment centres

### Competitive Advantage In Your University Applications:

- Attending the experience demonstrates that you've gained key skills such as problem solving, public speaking and teamwork, which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

### World-Class Universities And World-Class People:

- Experience two of the best universities on the planet: Oxford and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the Summer Experience, creating an invaluable lifetime network.

### Design Your Own Summer Experience:

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
