

Young Video Game Designer Highlights

Immersive Video Game Design Experiences:

- Compete in a Game-Jam and build your very own video game from scratch
- Present your ideas to a panel of video game industry leaders in East London's bustling tech city
- Explore the state-of-the-art technological advancements such as motion capture and virtual reality, that are making video games more immersive than ever in a leading visual effects studio
- Test previously unreleased video games to understand what helps bring a game to market
- Undertake a visit to one of Europe's largest independent game studios
- Private networking event at East London's Studio Spaces Warehouse

Senior Video Game Designers from a Variety of Specialities:

- Be coached through the immersive experiences with video game designers from world-renowned firms specialising in user interface, graphic design, mechanics and more
- Private networking sessions with these professionals, who can become vital connections for your future career

Personalised Career Coaching:

- Bespoke career coaching: receive training on how to land the most desirable jobs in video game design and a dynamic, personalised development plan to reach the height of your career ambitions
- Securing a place at a top-tier university: work alongside admissions officers from the UK's leading educational institutions to map out your university and degree choices, extra-curricular activities, and work experience; and receive expert coaching on the art of personal statement writing
- Excelling at university: take part in a private tour of the University of Cambridge; attend a thought-provoking lecture; discuss your insights with likeminded individuals; and network with leading academics
- Master the recruitment process: crack the code to the perfect CV with industry recruitment experts and hear from senior hiring managers on what they are looking for in candidate applications, interviews and assessment centres

Competitive Advantage In Your University Applications:

- Attending the Experience demonstrates that you've gained key skills such as visual and graphic design, problem solving and communication, which are highly-valued by top universities
- Complete the online assessment after the programme and receive a personalised certificate to include in your UCAS/College applications.

World-Class Universities And World-Class People:

- Experience two of the best universities on the planet: Cambridge and University College London (UCL).
- Meet talented and ambitious students from around the world who fly in for the Experience, creating an invaluable lifetime network.

Design Your Own Summer Experience:

- Choose to attend the 15-Day, 10-Day or 5-Day Summer Experience. You can also opt to attend this Summer Experience "Live Online" choosing between the 10-Day or 5-Day Summer Experience.
- **Accommodation, meals, guardianship and airport pick-up** are available if required and can be added at checkout. London accommodation is provided at University of London's halls of residence. Evening social activities will also be provided for students booking with accommodation.
